

SALOMONE SANSONE
Intellectual Property Consultancy and Law Office

2026

• INTELLECTUAL PROPERTY LAW • VALLETTA, MALTA

Firm profile

Intellectual property law in Malta since 1947.

COURTS OF JUSTICE • VALLETTA

One family, one practice, four names.

SALOMONE SANSONE is the only law firm in Malta that specialises exclusively in intellectual property law. We act for local businesses and for many of the world's biggest brands.

OUR HISTORY

1947

HON. WALTER SALOMONE

The Hon. Walter Salomone sets up his practice in intellectual property consultancy.

1973

A.W. SALOMONE & CO.

His son, Albert W. Salomone, who had assisted him, succeeds him and renames the firm A.W. Salomone & Co.

1990s

SALOMONE, SANSONE & CO.

The firm is restyled and renamed Salomone, Sansone & Co.

2008 *to today*

SALOMONE SANSONE

Since 2008 the firm has been headed by Albert's grandson, Dr. Luigi A. Sansone. Today it is Salomone Sansone, at 84–85 Melita Street in Valletta.

Valletta

We work from Valletta, Malta's capital and a World Heritage Site, home to both the law courts and the office of the Comptroller of Industrial Property.

AT A GLANCE

A family firm

Offering personalised advice with a boutique touch.

Specialised in IP law in Malta

Trademarks, patents, designs, copyright and much more.

Available 365 days a year

We are available around the clock, with queries handled the same day.

All aspects of IP law, under one roof.

From the initial clearance search through registration, protection and renewal, our professionals provide trusted guidance at every stage, safeguarding trademarks, patents and designs in Malta and across the European Union.

01

Searches

Our dedicated search team runs trademark, patent and design searches, so you know where you stand before you file or launch.

02

Filing and prosecution

We file applications in Malta and the EU and see them through to registration or grant.

03

Renewals and maintenance

We keep registered trademarks, patents and designs in force, and handle a large volume of patent renewals in Malta every month.

04

Enforcement and litigation

Enforcing IP rights is one of our main pillars of work. Over the years we have acted for many local as well as international clients before the Maltese courts.

05

Anti-counterfeiting and customs

We work closely with the IPR department at the Malta Tax & Customs Administration in the fight against counterfeiting.

06

Consultancy

Specialised legal counsel to help you build a strategy for protecting your intellectual property.

In particular cases, we also advise and litigate on commercial law matters outside IP.

Our specialised advocates.

Write to any of them directly, in English, Maltese or Italian.
